## LACNA 30

Would like to ask all interested Members with 5 years or more  
to run for  
LACNA 31's Chair

This Flier is being made per the P&P come on let's make the transition smooth.

Hosting a convention is a tremendous responsibility that requires significant planning, dedication and effort. Conventions can be complex and overpowering endeavors. Therefore, effort should be made to select people who have had prior convention experience. The planning of a convention requires the combined efforts of many people. This is done to ensure continuity of effort. Although some members change from year to year, enough experienced convention planners usually remain to ensure an effective planning process (P &P page 32).

The LACNA Convention Chairperson is an eighteen (18) month commitment. The Chairperson is elected in May by LASCNA. This allows him/her to attend the Convention Committee Meetings of the prior convention for six (6) months. This helps the Chairperson to gain an understanding of how a Convention Committee should work. This chairperson will preside over Convention Committee Meetings and business for the convention he/she was elected to chair (P&P page 33).

Please nominate a member from your Home Group or any Home Group  
to be  
LACNA 31's Chair.

Sub-mitt your Nominee at the next  
LASCNA Mtg
