LASCNA Treasurer's Report - 07/01/18

Hello Louisville Area Service Committee NA Members,

I have the June Bank Statement, Reconciliation Report, Check Register, Home Group Donation Report and all other information with me today. As of July 01, 2018 we have a current balance of \$12,505.89 in our bank account. The February rent check for the Area Business Meeting remains outstanding and I am voiding that check today to issue a new check. Deducting the outstanding check from our account balance leaves us with \$12445.89. When we take away our \$6,520.00 prudent reserve; we actually have \$5925.89 in expendable income to conduct business. In June, we wrote checks totaling \$2153.88. We deposited \$821.76.

In June out of the 58 homegroups in the Area, 17 donated funds to the Area. This is 4 more than the previous month. However, this still means that 71% of the groups in this Area did not donate anything last month to the Area. This is about ¾ of the area homegroups. If we could get each group in the Louisville Area to donate just \$10 a month, then we would bring in more than we have half of the months in this year. Again, I would ask that GSR's talk to their homegroups about the importance of donating funds to the Area, so that we may continue to bring the message to the still suffering addict through our committees like H&I and PR, as we have to have money as well as volunteers to fulfill the purpose of these subcommittees.

Last month, I wrote the check (check #2910) for the annual renewal of the PO Box and mailed it at the same time as all other checks, on June 5th. Every check mailed last month cleared except for the check for the PO Box, which resulted in our PO Box being closed on June 11th. I only discovered that this had occurred because I received a phone call from an addict who had received an e-mail from World stating that our address was incorrect and the receipt for our donation had been returned. I went to the Post office and they reported that they never received the check and therefore had closed the box. I paid for the box to be renewed at that time with my personal funds and will be requesting reimbursement for that today. The Post Office assured me that if they find the check, they will place it in the PO Box and not cash it. I have contacted World and let them know that our address remains the same and all correspondence should continue to be mailed to the PO Box.

Thank-you for allowing me to serve,

Heather W. /LASCNA Treasurer

This is a friendly reminder that your Post Office Box or Caller Service renewal fee is due. If you have already paid this fee, please disregard this notice and thank you for your continued business with the United States Postal Service. If you have not yet submitted your payment, please do so now.

At your location, at least one of the following Additional Services is available: *Street Addressing* (allows private carrier package delivery) and *Signature on File* (easy pickup for some signature required items).

There is **no** extra charge for these Additional Services. Visit your Post Office to sign up for these services today! These services however, do not apply to Caller Service and Group E Box customers.

For your convenience, you can sign up at www.usps.com/poboxes and renew or manage your PO Box online. Use your credit card to make a one-time payment or sign up for automatic payments so you never miss a due date. You can also renew your PO Box at any of more than 2,900 self-service kiosks located at select Post Offices nationwide. Go to www.usps.com/locator/welcome.htm to look for a kiosk location near you.

As always, payments can be made at the Post Office or mailed to the attention of the Postmaster at the address indicated above. Please make checks or money orders payable to the US Postal Service and include your PO Box number and ZIP Code. If paying by mail, a receipt will be delivered to your PO Box.

Note: Caller Service may only be paid in person or by mail unless enrolled in Enterprise PO Box Online (EPOBOL). (Enroll at https://postalpro.usps.com/EPS under the "Quick Links" section). Please be sure to include this notice with your remittance. Caller Service receipts will be provided at the caller service pickup window.

If your payment is not received by the due date, access to your PO Box will be blocked and caller services will be limited. If we have not received your payment by the 10th day after the due date, your PO Box service will be terminated, incoming mail will be returned to the sender, and, in addition to any unpaid monthly PO Box fees, you will be charged a handling fee to reopen your box. To avoid this inconvenience, we encourage you to renew on time.

As a reminder, your account information must be current. If your physical address or other pertinent information has changed since you applied for your PO Box, please ask a Sales and Service Associate at your Post Office to update your *Application for Post Office Box Service* (PS Form-1093).

To update your information for Caller Service, you can ask a Sales and Service Associate to update the *Application for Caller Service* (PS Form-1093C).

You are a valued customer and we appreciate your business. Thank you!
