N.A. SERVICE RESUME

Position to which nominated: Policy and Procedure Chairperson

Name: Echo DeVore

Clean date: November 9, 2009

Address: 158 William Street 40206

10 Digit Phone #: 502.417.2431

Please list all the group, area, regional and world service positions you've held that you consider relevant to the position to which you are nominated. Please include the positions served within the last five years and approximate dates of service for each position.

I have been a GSR and/or GRSA for The NA Meeting, Sweet Surrender (I think, my memory has gotten worst over the years and I jumped around a lot. There were several other meetings but I don't remember which ones. I have served as the Policy and Procedure Vice Chairperson since July of 2015. I was Secretary for Why are We here for a brief time.

If you have not completed a term or have been removed from a service position in the last five years, please explain.

I was the GSR for The NA Meeting at one point and I didn't complete my term because of my unwillingness to get passed my issues with personalities within in the home group. I was Secretary for Why are We Here for a short time and I wasn't able to keep the position due to being overly committed.

What resources do you believe you can bring to the position to which you are nominated?
I have been involved in service at the AREA level off and on since 1994. GSR for various groups, secretary of H&I, secretary of the Helpline sub-committee, carried a pager (yes, a pager) and have served as a trusted servant in many sub-committees. I have the willingness, ability and interest to continue to learn, research and understand our Policy and Procedure Manual. I have spent a great deal of time pursuing further knowledge on how business meetings are run in other areas, region and the World Level. I have studied the history of Parliamentary and Procedure, the development of Robert's Rules of Order and how to apply it in our business meetings. I have a pretty good understanding service structure as a result of all of that.

What experiences (i.e.: School, Work, Volunteer, etc.) have you had that you believe will help you serve in the position to which you are nominated?

I went college which taught me how to use a computer, write papers and learn how to use various word processing programs.

THE ~~AREA~~

Please list any other information that you consider relevant.

I regret not formally resigning as secretary for the Why are We Here homegroup and I owe them a direct amends for that. I am already living the amends by keeping my position as Vice Chair of Policy and Procedure in spite of the discomfort I have felt at AREA for a year and accepting the nomination for Policy and Procedure Chairperson made by the Just Us homegroup.

I have learned about the principles of Narcotics Anonymous and apply them in my personal life and in service.

Thank you for believing in me.
