#### 05/05/19

#### May 2019 Vice Chair Report

Our bank balance for May 01 is \$11,144.67. Last month we took in \$729.89 in 7<sup>th</sup> Tradition Home group donations and took in \$1759.91 in literature sales. We wrote checks totaling \$7468.03, which included the seed money for the convention. There are a few outstanding checks totaling 246.75. As of April 1st 2019, we had a beginning balance of \$16135.90. After deducting the amount of checks written (7468.03) and adding the money taken in last month (2489.80) we have a current balance of \$11157.67. When we deduct our \$6520.00 prudent reserve and the \$246.75 outstanding check we have \$4390.92 to conduct business in May. We received donations from 23 home groups in April, which is less than 50% of home groups in the Area. We need to increase the number of home group donations we are receiving each month in order to continue to conduct business.

There is no current treasure and therefore the Vice Chair is filling in this position, however we really need someone to run for this position so that the position can be rotated appropriately as discussed in our literature. Please talk to your homegroup members about the importance of filling this position and encourage someone to step up.

#### IMPORTANT INFORMATION ABOUT LINKED ACCOUNTS

When you link accounts with other accounts, any account owner on any linked accounts may have access to limited information about any of the linked accounts. This is true even if they are not a signer on the linked account; also, any signer added later to one of the linked accounts will be able to see the limited information. The limited information that may be available includes the existence of the account and information to determine if the criteria for fee waiver benefits has been met, such as: the balance of the account, the total dollar amount of PNC Merchant Services deposits processed per monthly statement cycle and the total dollar amount of eligible monthly PNC business credit card(s) purchases.

Be Alert for Fraudulent Communications

Emails, phone calls and text messages may seem like official PNC communications, but be careful: the message could be an attempted scam or fraud designed to look like an official PNC communication. Tell-tale features, hinting that the communication may be fake, are misspellings, grammatical errors, a sense of urgency, threats with consequences, and requests for sensitive information. One way to possibly spot a fraudulent email is to hover the cursor over the sender's email address, which should bring up a "mouseover" box containing the sender's actual email address. To report an email or text scam, forward the email or take a picture of the text and send it to abuse@pnc.com. To report a phone scam, please call us at 1-800-762-2035, select 1 for a personal account or 2 for a business account, then select option 3. If you disclosed personal information, immediately change your PNC Online Banking password and call us at 1-800-762-2035.
